Dear Dr. Fisher:

Over the past number of months my wife and I have met with Mr. Robert Zinner regarding financial and estate planning, and tax and investment issues.

Mr. Zinner is an extremely knowledgeable, methodical, ethical, and conscientious adviser. He is a professional in the true sense of the word. He co-ordinates a wide array of other competent professionals with whom he interacts on your behalf. I can honestly say that I wish that I had met him twenty years ago when I was first starting out in my academic and professional career.

Mr. Zinner has a lot to offer all of our medical staff as well as our interns, residents and fellows with regard to planning their professional careers. Our medical staff Association members are fortunate to be able to avail themselves of his services.

Respectfully submitted.

Sincerely,

Harold P. Drutz, MD., FRCS(c)
