Dear Robert:

RE: RESIDENT LECTURE ON FINANCIAL SECURITY PLANNING FOR RESIDENTS

I would like to thank you very much for the excellent lecture that you gave to our Residents on "*Financial Security Planning*" on February 19, 1999. The response that I received from the Residents was extremely positive. They felt that the lecture was well-organized, practical and very useful. The Residents presented you with their highest compliment, i.e. asking if you could be asked to return to lecture at some future date. As Program Director for the Department of Ophthalmology, I appreciate you taking time out of your busy schedule to lecture to our Residents. I think it is critically important that Residents be exposed to sound financial advice early on in their careers and your lecture certainly exposed them to this. I also appreciate your inviting Gary Marcus to attend and give the Chartered Accountants' perspective on financial management. His lecture was also very well organized and fit in very well with your own lecture.

Robert, thank you once again for taking time out of your busy schedule to lecture to our Residents.

Yours sincerely,

Allan Slomovic, MD, FRCSC
Program Director
