RE: Mr. Bob Zinner

Dear Dr. (Anne) Keller:

I am delighted to send (through you) my strong feelings of appreciation to Mr. Robert (Bob) Zinner of his visitation with me concerning planning of my retirement, pension, etc.

Bob sat down with me on several occasions, and was able to enlighten me on approaches to retirement plans. In my case, Bob felt that my "house" was basically in order, and was able to pass on to me his philosophy and wisdom. I really did appreciate the wisdom of the approaches that Bob Zinner related to me. I would encourage the M.S.A. to ask Bob to continue this good work, most especially with the younger staff.

I thank yourself and of course Bob Zinner.

Sincerely,

Ross G. Cameron
