Dear Bob

You have asked that I provide you with a letter describing my experience of the service you have provided my family and I over the years.

I have clearly seen that you are completely trustworthy and that your staff and team of consultants have the same high standards as you. You and your team ensure that my best interests are always protected; whether it be retirement planning, advisement on tax planning, personal budgeting, incorporation, mortgages, legal matters etc., the service and commitment to your clients' best interest is always clearly seen and felt.

I know that my family's welfare is your greatest concern and for this I am truly grateful.

I have no hesitation whatsoever in recommending MedStaff Consulting to prospective clients.

Sincerely,

Alex V. Levin, M.D., MHSc, FRCSC
